**Re: Required Submission of Information
Lower Darby Creek Area Superfund Site
Clearview Landfill, Folcroft Landfill and
Folcroft Landfill Annex**

Dear Ms. Prisk:

Please accept this letter as my response to the United States Environmental Protection Agency's ("EPA") information request concerning the Lower Darby Creek Area Superfund Site, the Clearview Landfill, the Folcroft Landfill and the Folcroft Landfill Annex (collectively referred to as "the Site"). The EPA's information request is predicated on the erroneous assumption that I inherited stock in Clearview Land Development Company ("CLDC"). I am the daughter of Joan McNichol, who, according to the newspaper article attached to the information request, inherited some stock in CLDC from Samuel Dickey. I do not now, nor have I ever had any relationship with the CLDC.

d) What compensation was received for its sale or divestiture?

e) For what reason(s) was it divested?

f) Who were the officers of the company at the time you held stock or an ownership interest in the company?

Answer: (3a – 3f) See response to Answer 2a – 2c above.

4. What role do you now play or what role did you play at any time in the past, in the operation or management of the Clearview Land Development Company?

Answer: I have never played any role in the operation or management of the CLDC.

5. What role did you play in the operation or management of the Clearview Landfill on the property owned by the Clearview Land Development Company?

Answer: I have never played any role in the operation or management of the Clearview Landfill.

6. Do you have any knowledge about the disposal of waste at the Clearview Landfill between the mid-1950's and 1976?

Answer: I have no knowledge concerning the disposal of waste at the Clearview Landfill between the mid-1950's and 1976.

7. Provide the names, titles, areas of responsibility, addresses, and telephone numbers of all persons who, between 1958 and 1976, may have:

- a) Disposed of, or treated materials at Clearview or other areas of the Site;
- b) Arranged for the disposal or treatment of materials at Clearview or other areas of the Site; and/or
- c) Arranged for the transportation of materials to Clearview or other areas of the Site (either directly or through transshipment points) for disposal or treatment.

Answer: (7a – 7c) See response to Answer 6 above.

8. If you have any information about other parties who may have information which may assist the EPA in its investigation of the Site, including Clearview, Folcroft and Folcroft Annex, or who may be responsible for the generation of, transportation to, or release of contamination at the Site, please provide such information. The information you provide in response to this request should include the party's name, address, telephone number, type of business, and the reasons why you believe the party may have contributed to the contamination at the Site or may have information regarding the Site.

Answer: I have no knowledge and/or information about parties who may have information, which may assist the EPA in its investigation of the Site, or parties that may be responsible for the generation of, transportation to, or release of contamination at the Site.

I trust that this information adequately addresses this request. If you have any questions, please feel free to contact me.
